SECTION SF 30 BLOCK 14 CONTINUATION PAGE

SUMMARY OF CHANGES

SECTION H - SPECIAL CONTRACT REQUIREMENTS

The following have been modified:

H.27 INDIRECT RATE CEILING

H.27 INDIRECT RATE CEILING

(a) The indirect rates as detailed in Indirect Rate Submission, Attachment JH-2 in the TF! Software, will be incorporated into the contract and establish ceiling rates by contract period for the Contractor's indirect rate pools. Any amount incurred by the Contractor above the ceiling rate shall be unallowable unless otherwise authorized by the Contracting Officer. The ceiling rates represent the maximum indirect rates that may be charged on any effort performed under the contract. Should actual indirect rates experienced during performance of the contract be lower than those shown on Attachment JH-2, the actual rates will be charged.

(b) Work Covered by 40 USC § 3141 et seq. (formerly known as the "Davis-Bacon Act")

The contractor shall strictly adhere to the wage (including fringe) requirements of the Department of Labor General Decision incorporated on the Contract. The contractor shall pay no more and shall pay no less than the amounts specified within the General Decision for non-exempt, covered work. The Attachment JH-2 "Project Fringe Pool" and "All CAT 3 Employees" fringe ceilings shall not apply to wage and fringe payments required by a General Decision. The Contract is an indefinite-delivery, indefinite quantity (IDIQ) contract therefore FAR 22.404-12 (b) applies.

(End of Summary of Changes)
